Each Competition will have the status of a restricted international Competition.

"Competition" means any race registered on the annual calendar of the Series, including administrative checks and technical scrutineering, all official practice sessions, whether qualifying or not, the warm-up if there is one and the race itself. The start and end of each Competition are determined in accordance with Article 2.1.7 of the Code.

Subject to the provisions of Appendix 1 of each Competition (see Article 2.2), the format is as follows:

- 1 bronze test session of one half-hour; reserved for Bronze drivers. A bronze test session is not considered as a free practice session.
- 1 qualifying session determining the starting grid, organised as follows:
 - One half-session of at least 15 minutes reserved for cars of the LMP3 category;
 - One half-session of at least 15 minutes reserved for cars of the GT3 category;
 - These two half-sessions will be separated by at least 5 minutes.
 - Only Bronze drivers can take part in qualifying sessions.
- 1 race, which must not last less than 2 hours.

No warm-up will be scheduled on the Competitions, unless otherwise specified in Appendix 1 of each Competition or by decision of the Panel of Stewards on proposal of the Race Director for safety reasons.
