

MICHELIN LE MANS CUP COMMITTEE

TO: Teams Manufacturers

CATEGORY: LMP3 GT3

DECISION N°: **MLMC_2022_D0013_All_Participation_Innovative_car_RTLM**

DATE: 01/06/2022

FROM: The Michelin Le Mans Cup Committee

SUBJECT: Participation of an innovative car in Road To Le Mans round

APPLICABLE REGULATION

Article 3.2.3 *2022 Road To Le Mans Sporting Regulations*

DECISION

The Michelin Le Mans Cup Committee has decided that the following would apply regarding car 24:

- The car will be allowed to take part in all the sessions (including race) of the Competition.
- The Committee acknowledges that the FIA has duly received (notably on safety matters) the homologation dossier of the H24 car sent by GreenGT, manufacturer of the car, and given its approval for the car to take part in this Competition. Furthermore, GreenGT has confirmed that the car is fully compliant with the homologation dossier as sent to the FIA.
- The Competitor, drivers entered by the Competitor must satisfy obligations under administrative checks and the H24 car to those under scrutineering (at the discretion of the Technical Delegate in the latter case).
- At any moment the car is moving in the pit lane or the track, a light will be set up at the back of the car to notify the traffic that they are approaching an innovative car.
- Alarm by flashing of "stop" lights to be activated if loss of acceleration is greater than 0.4g within 0.2 second for at least 0.2 second. The frequency of the flash to be achieved by 0.25sec ON ; 0.25 sec OFF. Brake lights flashing to be deactivated when the car accelerates by more than 0.2g positive. When triggered flashing must be latched for a minimum of 2 seconds. In any case Brake lights flashing to be deactivated as soon as brake pedal is pressed (goes to solid brake light on as normal when driver applies the brakes).
- The entry is fully subject to approval of the refuelling equipment and procedures by local authorities and/or the ASN.
- Regarding Article 6.2.3 and Appendix 6 Article B.2. of the Sporting Regulations; the car will be allowed to refuel in the dedicated and secured area of the track, during Road To Le Mans sessions only, following instructions of the Organiser.
- Concerning Article 12.4. of the Sporting Regulations, the competitor is not submitted to the pit stop reference time.
- Concerning Article 13.2. of the Sporting Regulations, the competitor has no restriction regarding the composition of the crew.

Any decision taken by the Michelin Le Mans Cup Committee is not subject to appeal.
