PURPOSE OF THE REQUEST

Clarification on pit stop rule for use of wheel guns. Change in regulation (12.2.2 c) for 2022 has been made from use of most 2 to 1 wheel gun. Does this mean that only one wheel gun is allowed over the white line, or that only one (the same) wheel gun can be used for all 4 tires? I do understand the regulation as the first, only one over the white line, but as I look at videos of pit stop from last year, that is how they do it. Maybe the change is to clarify the rules, not to change it?
