

**2023 MICHELIN LE MANS CUP**  
**Aragon Round**  
**24 – 25 August 2023**

**RACE DIRECTOR NOTE No. 1**

---

**From :** Race Director

**Date:** 24 August 2023

**To :** All Competitors

**Time:** 09:30

---

Due to the high temperatures:

1. Any driver that has to do a STOP & GO penalty, once the car is immobilized in its allocated working area, will be allowed to have one person (yellow armband) opening the door on driver's side and this person may use an air blower exclusively to cool the driver down.
2. During free practices and bronze driver collective test **only**, while the car is resting on its wheels, and not during the pit stop sequence as detailed in article 12.2.2 of the Sporting Regulations, one mechanic wearing the yellow armband will be allowed to open the door on driver's side and use an air blower to cool the driver down.
3. Due to the high temperatures, during free practices and bronze driver collective test **only**, while the car is resting on its wheels, and not during the pit stop sequence as detailed in article 12.2.2 of the Sporting Regulations, one mechanic wearing the yellow armband will be allowed to use an air blower to cool the car down in the working area.
