

LE MANS CUP

MICHELIN LE MANS CUP
Barcelona Round
10-14 APRIL 2024

Decision No. 7

From: The Stewards

Date: 12 April 2024

To: 19 - Leipert Motorsport

Time (decision): 09:51 h

Description: The Stewards, having received a report from the promoter, Le Mans Endurance Management, have considered the following matter and determine the following:

Competitor: 19 - Leipert Motorsport

Time (fact): 08:00

Session: Before the Event

Fact: The competitor has withdrawn car 19 from the Barcelona event and the 2024 season.

Offence: Alleged breach of Article 3.1.2 of MLMC Sporting Regulations

Decision: No further action.

Reason:

The promoter has received a formal communication from the competitor, notifying that due to internationally acknowledged shipping delays in the Middle East, the car is delayed in returning from another event. The competitor had also, unsuccessfully, attempted to source a replacement car. The competitor further informed that one of the nominated drivers had medical reasons which would prevent him from participating at this event. The absence of the car has compromised the ability of the drivers to participate in the championship and therefore they have reluctantly withdrawn from the entire season. The Stewards, having examined the details provided by the competitor, determine that this is a case of Force Majeure and therefore determine that no penalty be imposed.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
