MICHELIN LE MANS CUP
Barcelona Round
10-14 APRIL 2024

Decision No. 39

From: The Stewards

Date: 13 April 2024

To: R-ACE GP

Time (decision): 22:38 h

Description: The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

N° / Competitor 85 / R-ACE GP

Driver: Fabien Michal

Time (fact): 18:20

Session: Race

Fact: It was alleged that the driver of Car 85 had, once the lights on the safety car had been extinguished, slowed significantly and thereby created an unsafe situation for following cars.

Offence: Alleged breach of Article 14.6.1 of MLMC Sporting Regulations

Decision: No further action.

Reason:

The Stewards, having heard from the Race Director, examined video evidence and further examined telemetry from the car received after the race. They summoned and heard from the competitor and driver. Having considered the matter extensively, the Stewards determined that whilst the driver had slowed slightly upon the exit of Turn 10, the driver had not slowed further and thereby had not created an unsafe situation.

However, the Stewards were concerned with the overall slow speed of the pack at the end of the first safety car period and have recommended to the Race Director that this be brought to the attention of the drivers during the Driver Briefing at the next Competition.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code within the applicable time limits.
