

LE MANS CUP

MICHELIN LE MANS CUP
Barcelona Round
10-14 APRIL 2024

Decision No. 41

From: The Stewards
To: HIGH CLASS RACING

Date: 13 April 2024
Time (decision): 22:59 h

Description: The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

N° / Competitor: 20 / HIGH CLASS RACING
Time (fact): 18:46
Session: Race
Fact: Car 20 was observed by a Pit Official to have a small section of bodywork overhanging part of the yellow line on the LHS of the car during a pit stop.
Offence: Article 12.2.2 a of MLMC Sporting Regulations
Decision: Drive through penalty, suspended for the remainder of the 2024 MLMC Season subject to no repetition of a similar incident.

Reason:

The Stewards summoned and heard from the team representative and together they all examined the photographic evidence.

Having considered the matter extensively, the Stewards determined that the angle from which the photograph had been taken did not present positive proof that the bodywork was overhanging the yellow line. However, it was probable that a small proportion was, which was acknowledged by the team representative. Under the circumstances, the Stewards determine the above penalty to be the most appropriate.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code within the applicable time limits.
