### Decision No. 15

**From:** The Stewards  
**To:** REITER ENGINEERING

**Date:** 13 June 2024  
**Time (decision):** 09:15 h

**Description:** The Stewards, having received a report from the RTLM Promoter, having summoned and heard from the competitor's representative and having viewed video evidence, have considered the following matter and determine the following:

**N° / Competitor:** 50 / REITER ENGINEERING  
**Driver:** Miklas BORN  
**Time (fact):** 21:33  
**Session:** End of Free Practice 2  
**Fact:** Car 50 collided with a marshal.  
**Offence:** Art. 12.2.1.h of International Sporting Code  
**Decision:** Fine €500 (Five Hundred Euros). In addition, 1 point deducted (balance of 7 for the 2024 season).

**Reason:**

Car 50 knocked down a marshal whilst turning to return to the paddock via the pit lane at the end of the session. Having heard from the driver and the competitor's representative and having viewed circuit CCTV and on-board video, the Stewards note the slow speed of the incident and the driver's sincere apology and explanation that he did not see the marshal as he was in a blind spot from the A-pillar and he was looking at a marshal further on. The Stewards understand that the marshal was unhurt in the incident, and that the driver checked this with him before moving on, but consider this to be a matter of safety and determine that it is a breach of the above regulations. In the circumstances, they impose the penalty above.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
