Bulletin No. 8
Date: 13 June 2024

The Stewards inform all competitors and officials of the following:

RACE 1 STARTING GRID ORDER

The Stewards have determined that the Race 1 starting grid order for those competitors who have been ordered/permitted to start at the back of the grid will be as set out below. Grid positions 1 to 51 will be based on fastest Qualifying 1 times:

| Grid position | Competitor No. |
|---------------|----------------|
| 52 | 85 * |
| 53 | 10 * |
| 54 | 65 * |
| 55 | 42 * |
| 56 | 43 |
| 57 | 99 * |
| 58 | 64 * |

*The fastest driver of the car must take the start.

The principle applied is that cars are ranked in the following order:

- 1st Cars which set no times in Q1 (in order of fastest times in FP2)
- 2nd Cars which did not participate in Q1
- 3rd Cars which had all Q1 lap times deleted for breach of regulations (in order of fastest times in FP2)
- 4th Cars permitted to start without the driver setting a Practice time within 110% of the fastest.
