Decision No. 30

From: The Stewards

Date: 13 June 2024

To: TEAM VIRAGE

Time (decision): 17:58 h

Description: The Stewards, having received a report from the RTL M Race director, having summoned and heard from the competitor, have considered the following matter and determine the following:

N° / Competitor 8 / 76 TEAM VIRAGE
Session: Qualifying Session 2
Fact: Cars 8 and 76 entered the fast lane without waiting until all cars in the fast lane had passed.
Offence: Art. 12.1.2 of RTL M Sporting Regulations.
Decision: No further action.

Reason:

The Stewards heard from the competitor's representative and all parties reviewed the video clips from race control. Both cars were in the team stopping area and started to move forward, once the cars in the fast lane began to leave the pit lane. The competitor stated that a pit lane official had waved the cars forward, which was seen on the video, and that the cars had entered a gap in the line of cars in the fast lane, which was also noted.

The Stewards determined that whilst the team had not given priority to all cars in the fast lane, they had joined the line of cars, into a gap and without disruption to the cars following. Under the circumstances the Stewards take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
