Bulletin No. 11 **CORRECTED**
Date: 14 June 2024

The Stewards inform all competitors and officials of the following amendment/clarification of the 2024 Road to Le Mans Sporting Regulations:

Article 11.2.7 Formation lap(s)

Before the start of the race, there will be one formation lap.

If conditions so require, the Clerk of the Course or the Race Director may ask the Leading Car to cover one or more additional formation laps.

In that case, the start of the race, for the sole purpose of race ~~distance/time~~ **timing** is considered as having been given at the end of the first formation lap.

.....

Article 13.2 Race driving time

13.2.1 Lap count

Driving time will be measured without taking pit stops into account:

First stint: ~~Green start light~~ **Start of race timing** – loop to pit lane entry

For the cars starting from the pit lane: loop from pit lane exit – loop to the pit lane entry

Following stints: Loop from pit lane exit – loop to the pit lane entry

Last stint: Loop from pit lane exit – elapsed time of the race per car (individual passing on the control line when chequered flag is presented)
