MICHELIN LE MANS CUP  
Spa-Francorchamps Round  
22 - 24 AUGUST 2024

## Decision No. 28

From: The Stewards  
To: BRETTON RACING

Date: 24 August 2024  
Time (decision): 13:42 h

**Description:** The Stewards, having received a report from the Race Director, have considered the following matter and determine the following:

**N° / Competitor:** 26 / BRETTON RACING  
**Time (fact):** 12:39  
**Session:** After LMP3 Qualifying Session  
**Fact:** The mechanics of Car 26 lifted the car by using the air jacks to move it back inside the pit box. This is in breach of the Parc Ferme regulations.  
**Offence:** Article 10.2.4 of MLMC Sporting Regulations  
**Decision:** Disqualification of Car 26 from the results of the Qualifying Session. All cars originally classified behind Car 26 are moved up one place in the Qualifying Session classification. Permission is given for Car 26 to start the Race from the back of the grid of LMP3.

**Reason:**

The Stewards examined photo evidence. They heard the team representative. The Team Manager advised that in order to get their car back into the garage from the pit lane the mechanics had to lift the car using the air jacks. During the Free Practice Sessions the Team Manager advised that the team had used the air jacks after being instructed to do so by the pit lane marshals.

Following the Qualifying Session, the team used the air jacks to lift the car to be able to move the car back in to the garage. No instruction was received by the team on this occasion and they made the decision under their own auspices. Unfortunately, this a breach of Parc Ferme regulations.

The Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Art.15 of the FIA International Sporting Code, within the applicable time limits.
