## Decision no. 52

From: The Stewards  
To: KESSEL RACING

Date: 14 June 2025  
Time: 11:23

The Stewards, having received a report from the RTL M Race Director, having examined video evidence, have considered the following matter, determine the following:

**N° / Driver:** 17 / Andrea BELICCHI  
**Competitor:** KESSEL RACING  
**Session:** Race 2  
**Time (fact):** 10:45:36  
**Fact:** An incident involved cars#33 and 17 at MP27.  
**Offence:** Breach of Appendix L Chapter IV Article 2 d) of International Sporting Code  
**Decision:** 10 seconds time penalty to be added to the overall race time.  
**Reason:** Car#17 exited the previous corner off the racing line and was also held up by a LMP3 car ahead. Car#33 exited the corner with more speed and, seeing the opportunity to overtake, moved to the left of car#17.

Approaching turn 27, car#33 was fully alongside car#17. As the cars turned for the corner, car#33 was slightly ahead of car#17. Exiting the corner, car#17 did not allow car#33 room on track which forced car #33 off track and to the barrier.

The Stewards determined that the car#17 should have allowed car#33 room on track and therefore imposed the above stated penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
