Communication N° 01/2026

To: all Entrants in the Championship

For the safe and orderly conduct of the 2026 Michelin Le Mans Cup Competitions, the following will apply until further notice from Imola event onwards:

- For both the arrival and departure of a car, as provided for in Articles 12.2.2 a) and 12.2.2 e) of the 2026 MLMC Sporting Regulations, and the entire duration of the pit stop, the Car Controller must not move beyond the longitudinal white line separating the working lane from the blending lane. The white line is not part of the working lane.
